

GRADE 9
J.N. BURNETT CONFERENCE DAY ACTIVITY
Take Our Kid To Work Day 2020

Name (First & Last): Aaron Su

Student #: 1207200

PLEASE ANSWER THE FOLLOWING QUESTIONS. WRITE CLEARLY.

1) How would you rank the careers that you investigated today and why?

1. Pharmacist,

Interested in medicine. Do not want to spend 9 years being a doctor.

2. General Practitioner,

This would be my #1 pick, but too much post-secondary education.

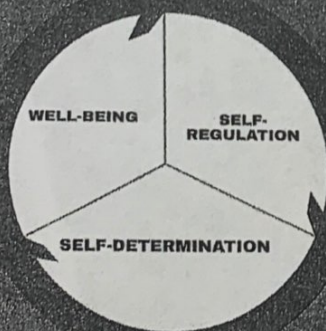

3. Medical Sonographer,

a fun job for me, but I am not good at socializing.

4. Software Engineer,

A good fit for me, but don't want to sit at a desk and stare all day.

PERSONAL AWARENESS & RESPONSIBILITY

CONNECTING CORE COMPETENCIES

The graphic illustrates the Core Competency, **Personal Awareness & Responsibility**

2) What is the difference between **self-regulation** and **self-determination**? (answer below)

Self-Regulation causes Self-Determination.

Self-Regulation is when you regulate yourself thoughts and behavior.

Self-Determination is when you determined to do something - ^{get}

3) What is one skill that you discovered about a career today that you have?

I am pretty Innovative in ideas.

4) What was the most interesting thing that you learned about a career today?

For good and high paying jobs, you need more education.

*WHEN YOU HAVE COMPLETED THIS IT IS IMPORTANT TO UPLOAD IT TO THE CORRESPONDING MYBLUEPRINT – Grade 9 PORTFOLIO - FOR OUR RECORDS, Tag as TOKTWD2020
